MEDIATION

ADMINISTRATIVE FEE

The Administrative Fee for the mediation is SEK 16,000 (exclusive of value-added tax).

MEDIATOR'S FEE

The amount in dispute is defined as the aggregated value of all claims in the dispute, i.e. the claim, the counterclaim and any set-off claims. The amounts stated below are exclusive of value-added tax and social security contributions (if applicable). Expenses for premises, refreshments, and the like may be added subsequently.

Amount in dispute (SEK)	**Mediator's fee (SEK)**
Under 500,001	20,000 (preparation of the case) + 20,000 for each day of mediation hearings
From 500,001	40,000 (preparation of the case) + 40,000 for each day of mediation hearings

If several disputes are handled within the same mediation proceedings, the starting point is that the mediator's fee shall be set to 150% of the higher of the fees that would have been payable according to the table if separate mediation proceedings had been held.

The Arbitration Council may decide to deviate from the fees listed above if the mediation case in question is unusually complex or time-consuming. The amount may be reduced if the matter is terminated prematurely or if the Arbitration Council considers that there are other reasons to do so.
